KOBELCO

MOVING MOUNTAINS ONE BUCKET AT A TIME

KOBELCO has long been known for its quality line of excavators and dedication to the research and development, manufacturing, and marketing of a full range of crawler excavators.

KOBELCO offers industry-leading crawler excavators in the 3,000 lb. to 97,000 lb. classes including zero tail swing, compact, standard, long reach, high and wide undercarriages, mass excavation, auto recycling, and demolition models.

KOBELCO excavators are well known for their advanced technologies, including an innovative noise and dust reduction system, advanced hydraulic circuitry for reduction of pressure loss, and for superior fuel efficiency.

THE LINEUP

SHORT RADIUS EXCAVATORS

MINI EXCAVATORS

SK17SR-6E | SK25SR-6E | SK30SR-6E
SK35SR-6E | SK45SRX-7 | SK55SRX-7

MINI

KOBELCO minis might be smaller, but they have every bit of dedication and reliability we have put into our larger machines over the decades. With minimal rear swing radius (zero tail overhang) and a simple design that makes routine maintenance easy, these machines pack full-size performance into a highly portable frame.

SHORT RADIUS

It only makes sense that the company that invented SR (short rear swing) excavators would stay ahead of the competition. The exclusive iNDr Cooling System reduces dust while delivering ultra-quiet operation, and multiple mode settings allow you to dial in the perfect balance of performance and fuel economy.

GOOD SUPPORT MATTERS

4Y/4K WARRANTY -

Any 2021 or newer model year full-size (SK75 and larger) excavator products come with a full machine four-year or 4,000-hour standard warranty and KOMEXS machine monitoring for the life of the warranty. That's serious protection for nearly every component in your excavator. *

3Y/3K WARRANTY -

Minis, Specialty excavators, and the SK300LC-11 Long Reach include a full machine three-year or 3,000-hour standard warranty. *

* Terms and conditions apply.
Optional Extended warranty is also available.

Our KOMEXS telematics service provides warning alerts when your machine needs service and offers easy access to all your maintenance history. From anywhere you have internet access, you can see where your machines are located along with work status, total operating hours and fuel consumption. KOMEXS is included for the length of every warranty term on our mid- and full-size excavators, or it's available as a standalone service.

The KOBELCO Premium Protection Plan (KPPP) allows you to customize coverage to fit your needs and budget. Choose from full extended base coverage or PT+HYD component coverage* for both new and used machines. When you purchase KPPP for your excavator, you're managing the cost of unexpected repairs after the standard warranty period expires. Should you need repairs, you'll deal directly with your nearest KOBELCO dealer to facilitate the repairs quickly using original OEM parts.

*See component coverage listing for all covered items. See terms and conditions for details.

Why risk it with second hand parts when you can have KOBELCO Genuine Parts shipped the next day? Designed and manufactured to factory specifications, KOBELCO Genuine Parts are guaranteed to maintain the quality, power and efficiency of your machine – all at the lowest cost possible.

KOBELCO Financial Services (KFS) understands the environment you are competing in and the power a new equipment solution can play in increasing your productivity and competitiveness. KOBELCO and Wells Fargo Bank have formed a business alliance to provide fast, simple, and reliable financing solutions that can help you achieve your business goals. Financing for the KFS program is provided by Wells Fargo Bank, NA. Financing available only in North America.
